

## VERIFICATION

### How do I verify my account? ▲

To verify your account, please click the red line 'your account is not verified' as shown [here](#)

Step 1: confirm your e-mail. In the process of signing up, you'll receive an email with a confirmation code. Enter this code in the relevant [field](#)

Step 2: confirm your phone number. Enter your country code and your phone number [here](#)

You may skip this step by clicking 'Skip' at the bottom of the [page](#)

Steps 3 and 4 are essential for completing the verification procedure and therefore cannot be skipped.

Step 5 requires you to upload your documents for verification:

To get verified, you need to submit the following documents:

1) A photo of your ID (passport or driving license). Please check the examples of an [ID](#) and a [passport](#)

2) A photo of your bank card (or cards if you use more than one) showing both sides of the card. Please make sure to cover the CVV number on the reverse. The photo must show the first six and the last four digits of your card number. Please make sure that your card is signed. Here's an [example](#)

If you use an e-wallet to deposit funds, you need to submit a photo of your ID only.

Once you make a withdrawal request, all the submitted documents will be checked within three business days.
